## About your Medicaid renewal

Dear Beneficiary,

At the start of the COVID-19 pandemic, the federal government declared a public health emergency (PHE). We stopped the Medicaid renewal process during the PHE. We are restarting renewals. A renewal is when we check if you are still eligible for free or low-cost Medicaid coverage. To keep your coverage, you may need to fill out a renewal form. If you need a form, we will send you one in the next 3 months.

### What to do now

- 1. Update your address, phone number, and email address now.**  
Update your information at [michigan.gov/mibridges](https://michigan.gov/mibridges) or contact your local MDHHS office.
- 2. Report any changes to your household or income now.**  
Report changes at [michigan.gov/mibridges](https://michigan.gov/mibridges) or contact your local MDHHS office.
- 3. Check your mail or text messages for a renewal packet.**  
Learn more about renewals and filling out the forms at [michigan.gov/mibridges](https://michigan.gov/mibridges).

### What to do if you get a renewal packet

Be sure to fill it out, sign the forms, and return them by the due date with any proof we need. If you do not complete your renewal, you may lose your Medicaid coverage.

If you are no longer eligible, you can choose to buy health insurance through [HealthCare.gov](https://www.healthcare.gov).
