

Meet Deborah Tillman!

Deborah “Dee” is a Community Health Worker Trainer (CHW) at Holmes STEM Academy.

- **She serves on the following committees:**
 - *Advisory Team PBIS (Positive Behavioral Interventions and Support) Committee*
 - *Health and Attendance Committee*
 - *Strategic Planning Committee*
 - *Success Mentoring Committee*
- **Her favorite part about being a CHW is having the opportunity to interact with students and their families and to provide community resources and/or assist in making a difference in their lives.**
- **Her goal for the upcoming school year is to connect with every student to let them know they are unique and a precious commodity and to promote a respect for life.**
- **A fun fact about Dee is that she wants to learn how to roller skate.**

“Being a CHW is a means of giving back to the community.”
