

Meet Maria Crothers!

Maria is a Community Health Worker (CHW) at Potter Elementary.

- **She is involved in the following projects:**

 - *Flint Fresh deliveries for veterans, the disabled community, and seniors in Flint*
 - *Flint Fresh Mobile Project*
 - *Organizer for an annual community resource fair and baby shower at Potter Elementary*

- **Her favorite part about being a CHW is having opportunities to reach out to clients and break down any barriers to good health, which in turn will help them live a healthier, happier life.**
- **Her goal for the upcoming school year is to connect with more clients to find out what is happening in the family unit and identifying their needs.**
- **A fun fact about Maria is that she served as the youngest National president in a military organization. Her motto is “all it takes is friendly conversation”.**

“I work with families, staff and the community. Each day brings new challenges, successes, connections and friendships.”
