

Meet Sherika Finklea!

Sherika is the Community Health Worker Coordinator for Genesee Health Plan.

- Throughout her role as Community Health Worker Coordinator, she has been involved in several projects and initiatives, including a partnership with the Flint Registry and their efforts.
- Her favorite part about being a CHW is being able to provide support and guidance to the CHWs with connecting families to resources. Also, being able to be the voice for the CHWs to influence change at the administrative level.
- Her goal for the upcoming school year is to ensure that the CHW team has the support and resources needed to be able to continue to help families.
- A fun fact about Sherika is that she loves to dance and dances with a local line dance group.

“The GHP CHW Team is one of a kind and it makes me PROUD to be able to provide support for a team that is so passionate about making sure the needs of Flint area kids and their families are met.”

-Sherika Finklea, Community Health Worker Coordinator
